

2026 Sew Flake Mystery Quilt Challenge

March: Block Two

Block One: Double Spin Wheels

You will need 3 Fabrics:

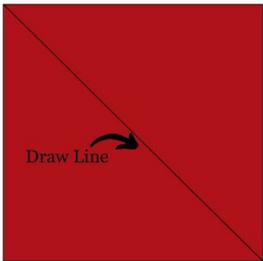

- 1 Background Fabric
- 2 Different Colored Fabrics

Hint: You can choose light and dark, light and medium or Medium and dark. Let your fabric palette speak to you.

1 – Cut:

- Background Fabric: **Cut** (1) strip 3 7/8" x 17" then **Sub Cut** (4): 3 7/8" x 3 7/8"
- Lighter Colored Fabric: **Cut** (1) strip 3 1/2" x 15" then **Sub Cut** (4): 3 1/2" x 3 1/2"
Keep these squares separate from the other squares you will be cutting
Cut (1) strip 3 7/8" x 9" then **Sub Cut** (2): 3 7/8" x 3 7/8"
- Darker Colored Fabric: **Cut** (1) strip 3 7/8" x 25" then **Sub Cut** (6): 3 7/8" x 3 7/8"

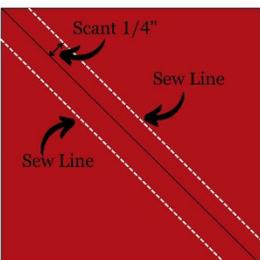

2 – Mark: Mark all darker fabric squares with a diagonal line across the back. You can use a light pencil or a removable fabric type of marker. Friction pens work well.

3 – Lay Out: Lay the marked dark fabric squares, right sides together with the background squares and the lighter colored squares.

You should have:

- 4 pairs of darker choice fabric with background fabric
- 2 pairs of darker choice fabric with the lighter choice fabric

4 – Sew: Using the chain method sew a **scant 1/4"** on each side of the solid marked line. Clip chain apart.

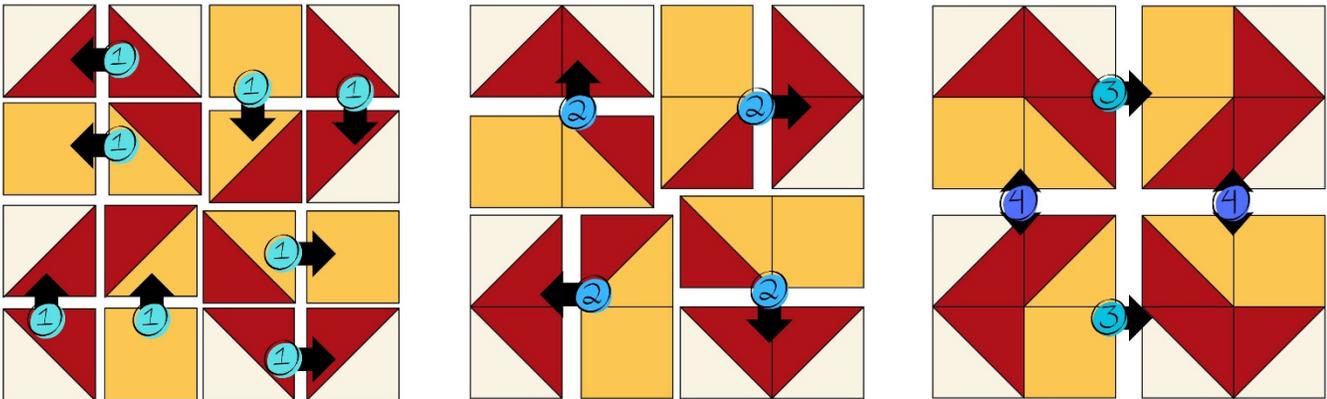

5 – Cut: Cut the sewn squares through the solid marked line.

When complete, you should have: -

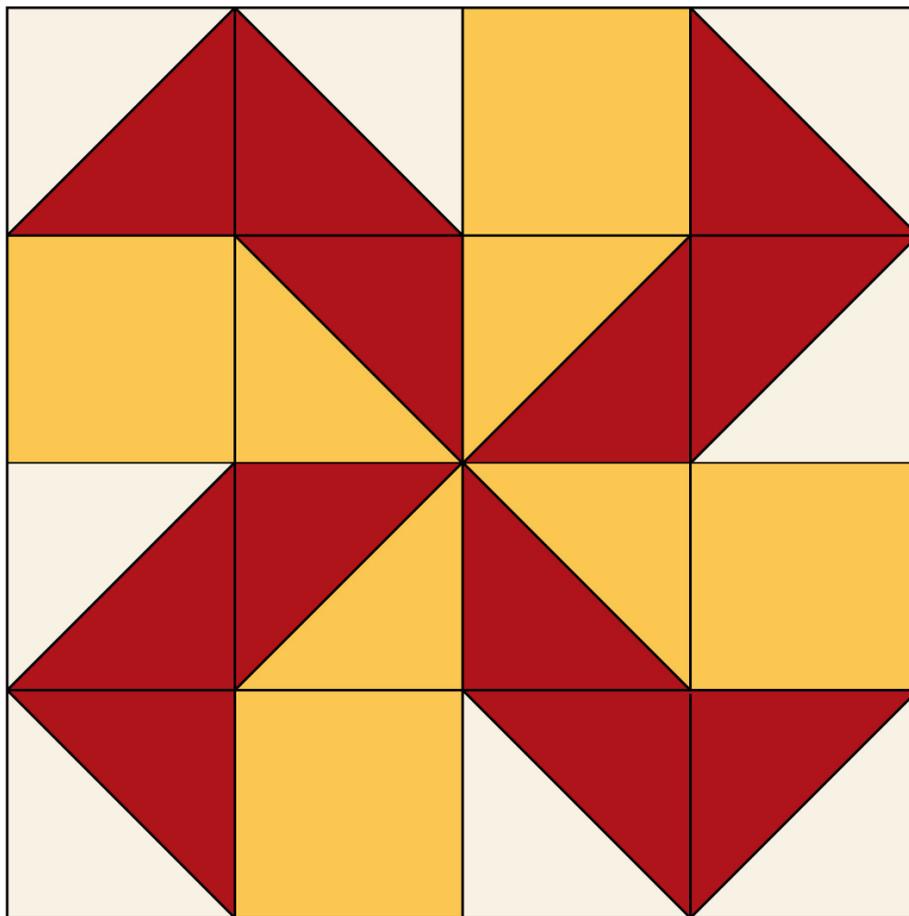

- 8 half square triangles with dark and background fabric
- 4 half square triangles with light and dark fabric
- 4 squares of light fabric.

6 – Trim and Press: Set your seams and press the seam to the darker side. Trim off the corner seam pieces. Your squares should measure 3 1/2" x 3 1/2".

7 – Lay Out: Layout your blocks to match the shown diagram. Then sew together. Set your seams and press to one side.

8 – Complete: Your completed block should measure 12 1/2" x 12 1/2".
