## May 2026

### *Block Two: Wheel in the Road*

Below are the results of May block two. Test block (red and yellow) I used the scant 1/4" method. As you can see in the picture, it created a larger block than 12.5. If I had trimmed it down, I would lose the 1/4" allowance on the points.

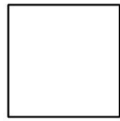

On the Blue block, I followed the 1/4" as the pattern allowed and it gave me a nice 12.5" block. Seeing the different fabric layouts may help you in determining your fabric choices.
